INFORMATION IN SUPPORT OF DECISION: (eg report or business case)

Nottinghamshire Office of the Police and Crime Commissioner secured funding via the Home Office Safer Streets Grant funding to cover target hardening activities. The grant funding has a time restriction in the need for it to be spent by 31st March 2022.

A review of frameworks identified Fusion 21 Framework as a route to market with specialist local suppliers who could deliver the services. In conjunction with Fusion 21, the supplier J Tomlinson were identified as the only credible supplier to provide the services. They are also a local supplier so can provide swift response times.

There is already another contract running with J Tomlinson with similar activity (CN1002574) but this could not be varied to capture this amount of funding due to the guidance under regulation 72 of the Public Contract Regulations 2015.
