INFORMATION IN SUPPORT OF DECISION: (eg report or business case)

A coordinated partnership response is required by the VRU, Nottinghamshire Police, local authority and community and voluntary sector to support children, young people and the wider community in the Lytham and Hogan Gardens areas of Top Valley.

The two names VCS organisations were originally commissioned at the beginning of October with contracts ending on Dec 31st, however, given the positive impact it has had on the beneficiaries and on police / community relations, we are keen to continue this work. Therefore, contracts will be extended until 31st March 22.

Longer term provision will be considered from 1st April 22 onwards as part of a wider outreach framework across the City and County.
