EXECUTIVE SUMMARY:
The purpose of this report is to seek approval to delegate authority for the Chief Constable to sign the Amazon Web Services contract on behalf of Nottinghamshire Police.

INFORMATION IN SUPPORT OF DECISION: (eg report or business case)
Amazon Web Services is a cloud based platform that will be used to store digital forensic evidence amongst other things, the nature of some of the data which may be stored has caused Amazon concern around risk of prosecution under data laws. All data stored on the platform remains the responsibility of the police and Amazon consider that the Office of the Police and Crime Commissioner to be a third party. Therefore it has been deemed appropriate for the signatory on the agreement to be the Chief Constable under these circumstances, this has been verified and is supported by legal advice.
