I would be grateful please to have answers under the Freedom of information Act to the following questions.

2. Has this been the subject of any discussion between you as the Commissioner who is responsible for representing the public's point of view over policing matters and the landowner and the local villagers and the company called I gas?
3. What policing reason can there be for giving policeman welfare facilities out in the middle of a country area?
4. What is the overall material cost cost of this welfare facility? Please include transportation of goods needed on the site for the purposes of police where welfare and list building cost and costs of welfare facilities.
5. How many police at a time will be using this facility?
6. Will there be overnight sleeping accommodation provided?
7. What will the total cost of the daily wages of the police using this facility expected to be.?
8. Will there be overnight sleeping accommodation provided?

- 10 How long is it expected that the facility will be kept on this site?
- 11 Who approached the Nottinghamshire police for the provision of this facility?
12. What has occurred and on what date that should require such a facility at public expense?
