Dear

Re: Request under the Freedom of Information Act 2000 (FOIA)

Thank you for your request for information, which was received by the Nottinghamshire Office of the Police and Crime Commissioner on 17 June 2019.

INFORMATION REQUESTED

1.   As my elected Police and Crime Commissioner, please can you tell me which, if any, of the following tools and tactics are being used by our local force:

• body worn video cameras
• facial recognition
• hacking
• IMSI catchers
• mobile phone extraction
• predictive policing
• social media intelligence

2.   If the police are using any of the above, please let me know what impact assessments have been carried out to make sure their use doesn't negatively affect people's rights and freedoms.

3.   And can you guarantee that intrusive police tech will not be used in the future without proper safeguards and public consultation in place to ensure our fundamental rights are protected?
