COMMISSIONER CAROLINE HENRY

2 February 2022

Dear

Re: Request under the Freedom of Information Act 2000 (FOIA)

Thank you for your request for information, which was received by the Nottinghamshire Office of the Police and Crime Commissioner on 24 January 2022.

INFORMATION REQUESTED

1. Total amount of funds used by the Police and Crime Commissioner for tackling the issue of stalking and harassment in Nottingham between March 2020 and December 2021
2. A breakdown of the funds allocated to each organisation by the Police and Crime Commissioner for tackling the issue of stalking and harassment in Nottingham between March 2020 and December 2021

RESPONSE

Please find below answers to your questions:

1. The Nottinghamshire Office of the Police and Crime Commissioner co-commissions domestic abuse services with local authorities. These services include support for domestic related stalking. It is not possible to separate out the costs of stalking support from the wider domestic abuse service.

The Nottinghamshire Office of the Police and Crime Commissioner also commissions a specialist stalking advocacy service for victims of non-domestic stalking. The total amount of PCC funds spent on the specialist stalking advocacy service for victims of non-domestic stalking between 1st April 2020 and 31st December 2021 was £106,093.22.

Victims of harassment are referred to Notts Victim CARE, whose staff are trained to recognise stalking and will refer onto specialist domestic abuse support services or non-domestic stalking advocacy services where appropriate. It is not possible to separate out the costs of harassment support as it is part of the wider Notts Victim CARE service.
