

Make Notts Safe Community Chest Grants Round 2 September 2022

All funding is subject to organisations meeting specific funding criteria.

Organisation Name	Project Name	Brief Detail of Funded Project	Total Funded £
Belong Nottingham	Migrant Youth Crime Prevention	The funding will help to run diversionary activities, awareness raising campaigns and a series of crime prevention workshops for young people from refugee and migrant communities. The overall aim being to reduce the risk of these young people being either perpetrators or victims of crime and promoting their effective integration into the local community.	£4,500
Breaking Barriers Building Bridges	The Reset Project	The project aims to engage young people in a range of early intervention activities. The cohort of young people will be those young people in need of support who do not currently have a birth certificate or ID documents. The overall aim being to reset their beliefs and aspirations via engagement in positive activity.	£2,000
The Bridges Community Trust	Youth: Pride – Purpose – Place	The aim is to work with youths ages between 6-14. A weekly football session will be provided to engage with all genders and cultures as well as those young people 'at risk' of involvement in crime and ASB. The overall aim being to develop discipline and respect for authority as well as promoting companionship and friendships and improving self-esteem.	£3,000
Freedom Foundation	DRIL (Demonstrating Resilience, Improving Lives)	DRIL works with young people experiencing poor mental health and well-being and who are disengaging from education and at risk of criminal exploitation. The project teaches children how to use music and song writing to express themselves and their feelings and build aspirations.	** £4,559.50
The Helpful Bureau	Home Secure	The project aims to increase home safety measures to some vulnerable and elderly members of the community. These include items such as door chains/braces, key safes, dummy alarms and motion-based lights etc. The overall project aim being to help prevent diversion scammers and allow those at risk to feel safer in their own homes.	£2,500
The Jawaid Khaliq Boxing Academy CIC	People Power	The project aims to provide specific sessions for 50 new participants who are currently not active or taking part in recreational activity. Connections with social care, Police, PCSO's and schools will identify those who are at highest risk of offending and provide them with the opportunity to engage in a positive activity.	£3,000
North and South Wheatley Parish Council	Traffic Calming	Funding is to allow the purchase of an interactive speed sign which tells an approaching driver the	£2,347

		speed at which they are travelling, and to 'slow down' if necessary.	
Stonebridge City Farm		Aiming to offer community involvement and training workshops to vulnerable 'at risk' young people. There will be various projects on the farm for young people to work on as well as talks from the Police on the effects of falling into crime.	£2,000
Transform Training	Girl Talk	The project looks to support vulnerable young women and girls who are known to the Police or YOT by providing them with knowledge and resources to help them stay safe and avoid risky or harmful situations.	£5,000
Treswell with Cottam Parish Council	Traffic Calming	Funding is to allow the purchase of an interactive speed sign which tells an approaching driver the speed at which they are travelling, and to 'slow down' if necessary.	£2,347
Total			* £31,253.50

* £26,694 of this total funding is from the PCC Community Chest Grant fund a further ** £4,559.50 has been added to the fund via the Violence Reduction Unit (VRU) and will pay directly for the Freedom Foundation project work.
