TITLE: Levy Decision Form 16-17

EXECUTIVE SUMMARY:

The Nottinghamshire Police and Crime Commissioner has agreed a funding arrangement which will provide the Nottingham Street Pastor Project with £12,000 per year from April 2016 until March 2019.

The award will be funded from the Nottingham City late night levy.

INFORMATION IN SUPPORT OF DECISION: (e.g report or business case)

The late night levy was introduced in the Police Reform and Social Responsibility Act 2011. It allows licensing authorities to raise a contribution from late-opening alcohol suppliers to fund services which tackle alcohol-related crime and disorder and services connected to the management of the night-time economy.

Nottingham City Council approved the introduction of the late night levy scheme within the City from 1st November 2014 with an agreement that the net amount of the levy would be split between the Council and the PCC.

The Nottingham Street Pastor Project was set up in January 2010 and is a volunteer response to the alcohol-related problems encountered in the night-time economy, particularly on a Friday and Saturday evening. Volunteers are trained to provide support to vulnerable, intoxicated people between the hours of 10pm and 3am, and to deflect and prevent problems, including incidents of alcohol related violence. They also provide first aid to reduce the numbers which might impact upon Accident and Emergency services.

The Street Pastors follow up with people they have helped to ensure they are accessing services that they have been signposted towards and work closely with relevant partners including the Police, the Community Protection team, the Crime and Drugs partnership, ambulance service, Universities, pubs, bars and clubs and other initiatives.

The use of levy money to fund the Street Pastor project meets the requirements outlined in the Act which stipulate it should be used on activities to address crime and disorder, public safety and public nuisance in connection with alcohol. The decision meets with the approval of relevant partners and bodies involved in the night-time economy.
