---------------	---

EXECUTIVE SUMMARY:

Better Times currently has the contract to deliver the Nottingham Police and Crime Commissioners publicity and communications work. This contract comes to an end on 31st August 2021. As part of the current contract Better Times undertake publicity and communications work on behalf of the Nottinghamshire Violence Reduction Unit (VRU) including the management of the VRU website and social media accounts.

In addition, as part of the current contract Better Times has been undertaking some publicity work in relation to the Safer Streets 2 funding that has recently been awarded to the Police and Crime Commissioner.

In order to maintain consistency in relation to both the VRU and Safer Streets 2 publicity and communications work the Commissioner is required to confirm her decision to provide Better Times with a contract to undertake this work from 1st September 2021 to 31st March 2022.

INFORMATION IN SUPPORT OF DECISION: (eg report or business case)

As detailed above the current contract with Better Times comes to an end on the 31st August 2021. However in order to ensure consistency in relation to two distinct areas of work a single tender award will be provided to Better Times for the period 1st September 2021 to 31st March 2022 to cover the following:

- £9,000 for ongoing publicity and communications support to the Nottinghamshire VRU. This will include development and implementation of the VRU communication strategy; press and media relations in relation to the VRU; provision of marketing materials; website management and social media management.
- £10,000 for ongoing Safer Streets 2 publicity. This include attendance at relevant meetings and press and media relations in relation to the safer Streets 2 work.

A single tender award is being made to ensure consistency and that there is no loss of provision for these distinct strands of ongoing work at a time when they are reliant on publicity and communications work.
