TITLE:	Safer Streets 2 Program 2021-22 – £50k Additional Funding Mansfield
---------------	---

EXECUTIVE SUMMARY:

In July 2021 the Commissioner was successful in securing £864k Home Office Safer Streets 2 funding to tackling acquisitive crime in key Lower Super Output Areas (LSOAs) of Nottingham City (£432k) and Mansfield (£432k) following detailed bid submissions. A separate decision record provides further details.

In December 2021, the Home Office invited Safer Streets partnerships to bid for additional funding (i.e., up to £50k) and in January 2022, the Commissioner was informed that her £50k bid to bolster crime prevention in Mansfield had been successful.

INFORMATION IN SUPPORT OF DECISION: (e.g. report or business case)

The funding will be used to prevent and reduce key acquisitive crimes in the target areas, namely, to pay for two extra CCTV cameras in burglary hotspots (£15k) and target hardening of residential properties (£35k).

Mansfield District Council has a funding agreement in place with the PCC, this will be extended by £15k to pay for two additional CCTV cameras. The Commissioner has a contract in place with an existing target hardening provider. The additional £35k, will not affect the current contract value as there is predicted underspend with other safer streets projects.

FINANCIAL INFORMATION

All funding will be spent before the end of the financial year (31st March 2022).

The Commissioner's Head of Strategy and Assurance has been granted delegated authority to approve spend against these budget plans in line with the Home Office Grant Agreement. He will
