Nottinghamshire Police and Crime Commissioner – Notice of Decision

- Non-Price 20% (10% Social Value & 10% Capacity)

Following an initial review and assessment, the returns of Petric Contracts Ltd and Leverton Construction non-compliant as they had failed to complete the ITT Response to Tender document which contained the important Supplier Selection Questions (part 3), the Technical Questions (part 5) and the Social Value Questions (part 5).

Following a few minor clarification points (for example: small arithmetic error of £300 in the submission from Lindum; Lindum and Miller Knighted repricing for light fittings to replace their offered/costed Whitecroft fitting with the Thorlux Smart Scan to match the rest of the Police Station under the recently awarded Lighting Project), the remaining bidder prices were confirmed at :

- Miller Knight £301,561.98
- Lindum £325,474.05
- Thomas & Sons £321,843.00

Following evaluation, the qualitative scores of the technical submission were as follows:

- Miller Knight 12%
- Lindum 16%
- Thomas & Sons 2%

Based on the revised tender pricing (see reference to legitimate adjustments above) the following financial scores have been calculated using the scoring methodology included in the tender documentation.

- Miller Knight 80%
- Lindum 74.12%
- Thomas & Sons 74.96%

The total tender score summary was:

- Miller Knight 92%
- Lindum 90.12%
- Thomas & Sons 76.96%
