<b>TITLE:</b>	Estates Strategy 2022-2026
---------------	----------------------------

### EXECUTIVE SUMMARY:

A new Estates Strategy for 2022 – 2026 has been developed and approved by the Force Executive Board and the Commissioner’s Accountability Board. The Strategy is attached as an Appendix to this Decision Notice.

The purpose of the Estates Strategy is to set out the strategic direction of the Force estate so that it supports the Police and Crime Plan and organisational objectives. An Estates Strategy is needed to plan ahead for the changing nature of policing, which is increasingly mobile, agile and delivered in partnership with partner agencies.

The Strategy sets out the following Vision:

- Create an efficient and fit for purpose estate that delivers value for money and facilitates flexible working in line with the Police and Crime Plan;
- Create an energy efficient and sustainable estate which meets the Government’s target of net zero carbon by 2050;
- Deliver an estate which provides an appropriate level of security for officers and staff and information;
- Obtain views of the community and partners to inform our decision making process; and
- Provide a visible and accessible service which enables multi agency working and promotes visible policing.

The Strategy sets out the achievements of the previous Estates Strategy (2017 – 2021) and sets out clear proposals relating to the development of the estate and further estate changes going forward.
