INFORMATION IN SUPPORT OF DECISION: (eg report or business case)																																	
<p>In July 2022 the PCC launched the second round of her new Make Notts Safe Community Chest grants scheme. The Make Notts Safe Community Chest fund aimed to provide seed corn funding for community based organisations to enable local delivery against the Commissioner’s priorities. Grants of up to £5,000 were available.</p> <p>Applications were invited from community organisations with all applications undergoing a robust assessment process in which all applications were assessed by a minimum of two officers from the OPCC against a RAG rated matrix. Applications were then discussed at an independent Stakeholder Panel which included senior police officers, representatives from the City and County Council as well as representatives from the VRU. The panel agreed a final list of recommendations which went to the PCC. The PCC agreed that 10 projects would be funded to a total value of £31,253.50. Brief details of the 10 grants recipients are detailed below – further information about these grants is available on the PCCs website. Please note all grant funding is subject to organisations meeting specific funding criteria.</p>
