---------------	---

EXECUTIVE SUMMARY:

Nottinghamshire Police are required to procure vehicle based ANPR systems on an annual basis, replacing old with new and to be fitted to new fleet vehicles. We will utilise the Thames Valley Police ANPR framework TVP00301 for this requirement. This decision notice is for a 4-year call-off contract covering 2022/23 to 2025/26 to enable the compliant purchase of such systems.

INFORMATION IN SUPPORT OF DECISION: (eg report or business case)

The Force already possess and maintain a significant number of Cleartone vehicle-based systems in its existing fleet and to ensure continuity in equipment use, minimise training needs for officers/drivers and effectively minimise stock holding and maintenance costs, it is imperative that the Force continues to secure Cleartone equipment.
