FREEDOM OF INFORMATION MONITORING, REVIEW AND ASSURANCE

1. Purpose of the Report

- 1.1 The purpose of this report is to provide the Joint Audit and Scrutiny Panel (the Panel) with assurance that the Nottinghamshire Office of the Police and Crime Commissioner is working in full compliance of the Freedom of Information (FOI) Act 2000.¹
- 1.2 The FOI Act 2000 provides public access to information held by public authorities. It does this in two ways:
- Public authorities are obliged to publish certain information about their activities; and
 - Members of the public are entitled to request information from public authorities.
- 1.3 The Elected Local Policing Bodies (Specified Information) Order 2011 (“the 2011 Order”) specifies information which must be published by a Police and Crime Commissioner.²

2. Recommendations

- 2.1 That the panel notes the report.

3. Reasons for Recommendations

- 3.1 The Panel have a responsibility to ensure that the Commissioner and Chief Constable discharge their legal obligations and responsibilities.
- 3.2 The public also hold Commissioners to account through being able to benchmark their performance and vote accordingly in elections. To help the public fulfil this role there are 36 separate pieces of information for Commissioners to publish, such as data on salaries and contracts. This has recently been reviewed by the National Audit Office: Police accountability:

¹ [Freedom of Information Act 2000](#)

² [Elected Local Policing Bodies \(Specified Information\) Order 2011](#)

Landscape review.³ This review sampled 15 commissioners' websites to see if this data was available, and found that not sampled areas had completely met these requirements – maximum compliance was 75 percent.

- 3.3 This report provides assurance to the Panel that the information required to be published by the Commissioner is available and accessible on the Commissioner's website.

4. Summary of Key Points

- 4.1 The Office of the Police and Crime Commissioner received 53 requests for information between the period of 1 January – 31 December 2013. Details of the requests are published on the Police and Crime Commissioner's website. Please see Appendix A for further details.
- 4.2 100% of the requests for information were acknowledged within 5 working days.
- 4.3 94.3% of the requests for information were responded to within the 20 working days deadline.
- 4.4 The remaining 5.7% equates to three requests for information that were not responded to within 20 working days. Please see 4.5, 4.6 and 4.7 below.
- 4.5 Ref 8150 was responded to within 26 working days. This was due to the request for information being received in the summer holidays during a period of limited staffing.
- 4.6 Ref 9387 was responded to within 23 working days. This was due to a delay in obtaining a breakdown of the information from a partner agency that held the information on our behalf.
- 4.7 Ref 10666 was responded to within 31 working days. The information was held by our legal services department and there was a delay in them sending the information to us.
- 4.8 The most common requests for information are regarding the Police & Crime Commissioner's staffing and expenses.
- 4.9 The Office of the Police and Crime Commissioner is fully compliant with the Elected Local Policing Bodies (Specified Information) Order 2011. The information is detailed in Appendix B and on the Police and Crime Commissioner's website via the follow website address:

EXPLANATORY NOTE

(This note is not part of the Order)

This Order specifies information that must be published by elected local policing bodies, and the time of publication of that information.

An elected local policing body is, in relation to a police area in England and Wales outside London, the police and crime commissioner established under section 1 of the Police Reform and Social Responsibility Act 2011 and, in relation to the metropolitan police district, the Mayor's Office for Policing and Crime.

Article 2(2) of the Order has the effect that information that would otherwise be specified information but the publication of which would be harmful on various grounds, or would be contrary to any enactment, does not have to be published.
