IOPC Investigations, Recommendations & Actions

1. Purpose of the Report

- 1.1 To inform the PCC in respect of the complaint and conduct matters which have been referred by Nottinghamshire Police to the Independent Office for Police Conduct (IOPC) during the relevant period 01.09.2019 – 29.02.2020, together with relevant recommendations and actions

2. Recommendations

- 2.1 That the panel receive assurance that Nottinghamshire Police is transparent in referring itself to the IOPC in relation to all instances which meet the criteria defined at 4.1 and 4.2 of this report.
- 2.2 That the panel receive reassurance that Nottinghamshire Police consider and respond to IOPC recommendations.

3. Reasons for Recommendations

- 3.1 The data summary in 4.2 outlines those DSI matters referred to the IOPC during the period 1st September 2019 to 29th February 2020. In total 21 referrals were made compared to 14 in the last reporting period. Of the referrals made in this reporting period the IOPC have taken 3 as independent investigations.
- 3.2 A total of 47 incidents were assessed in the reporting period to establish whether they met the criteria for referring to the IOPC. Where cases are not referred, the rationale is recorded and the matter reviewed to identify any personal or organisational learning.
- 3.3 There have been no formal IOPC recommendations made in the reporting period.

4. Summary of Key Points (this should include background information and options appraisal if applicable)

- 4.1 Death or serious injury matters (DSI) are not necessarily linked to a public complaint or any identified misconduct. The full definition of a DSI can be found in section 29 Police Reform Act 2002; in brief it is where there is/may be

a causal link between a member of the public having contact with the police and death or serious injury occurring to that person. On receipt of a DSI referral the IOPC will determine the mode of investigation; usually an independent IOPC investigation or referred back to Force to investigate.

4.2 The data summary below outlines those DSI matters referred to the IOPC during the period 1st September 2019 to 29th February 2020.

Suicide following arrest	1
Injury following a collision during police pursuit	3
Suicide following investigation for sexual offence	1
Injury during arrest	4
Self – inflicted injury during arrest	1
Injury / death following police contact-other	5
Suicide while classified missing from home	1
Dog bite	2
Illness in custody	3

4.3 In addition to DSI's the Police must refer to the IOPC complaints and recordable conduct matters that include allegations of conduct which constitute:

- Serious assaults
- Serious sexual offences
- Serious corruption (includes Abuse of Position Trust for Sexual Gain)
- Criminal offence or behaviour aggravated by discrimination
- Relevant offence (where the sentence is fixed by law or 7yrs on first conviction)

The table below shows the number in each category recorded by Nottinghamshire Police in the reporting period 1st September 2019 to 29th February 2020. Serious assault is classed as actual bodily harm or above. Two of these matters relate to off duty conduct (non-domestic). The other three assaults relate to complaints of assault made against officers and staff from members of the public during their arrest or restraint.

Type of conduct	Total
Serious assault	5
Serious sexual offences	1
Offence aggravated by discrimination	1
