UPDATE TO POLICE AND CRIME DELIVERY PLAN (2020-21)

1. PURPOSE OF THE REPORT

1.1 The purpose of this report is to inform members attending the Strategic Resources and Performance of how the Commissioner intends to respond to the annual Police and Crime Needs Assessment (2019), stakeholder consultation undertaken in 2019 and further additions made to his draft Police and Crime Delivery Plan (2020-21).

2. **RECOMMENDATIONS**

а

- 2.1 That Members discuss and note the content of the report.
- 2.2 The Chief Constable to agree to implementation of the strategic activities contained in **Appendix A** and listed within each of the four strategic themes.

3. REASONS FOR RECOMMENDATIONS

- 3.1 At the Panel meeting on 7th February 2018, the Commissioner presented his new Police and Crime Plan for 2018-21^a which has four strategic themes. The plan contains a Strategic Framework which details the various performance measures for each theme and also a range of specific deliverables to help achieve implementation. The Commissioner does not intend to refresh this Police and Crime Plan although revisions have been made to the Commissioner's Police and Crime Delivery Plan (2020-21).
- 3.2 At the end of each year the Commissioner's Office produces a Police and Crime Needs Assessment which helps to identify any new threats or emerging issues. Consultation is undertaken on the findings and new strategic activities are incorporated into the Police and Crime Delivery Plan to address key issues.

- 3.3 Many of the specific deliverables have been completed during the year and therefore removed from the delivery plan; some activities have been amended to reflect changes to activities.
- 3.4 **Appendix A** contains a number of new or amended specific deliverables for implementation during 2020-21. All activities will be advanced and monitored until implementation.
- 3.5 The updated Police and Crime Delivery Plan (2020-21) was submitted to the Police and Crime Panel on 6th February 2020.

4. Summary of Key Points

4.1 The Police Reform and Social Responsibility (PR&SR) Act 2011 places a statutory duty on the Commissioner to publish a Police and Crime Plan for his policing area. Section 5(1) of the PR&SR Act 2011 requires the Commissioner to 'issue a Police and Crime Plan within the financial year in which each ordinary election is held'. In this respect, the Commissioner has chosen not to refresh his Police and Crime Plan but he has made a number of changes to his Police and Crime Delivery Plan (2020-21).

5. Summary of Police and Crime Needs Assessment and Consultation

- 5.1 The refresh of the PCC's Police and Crime Delivery Plan has been informed by the draft Nottinghamshire Police and Crime Needs Assessment which has been produced in collaboration with Police and other Partner agencies. In addition, a consultation event was held with senior Police officers and Partners on 19th December 2019 which also helped to inform the draft Delivery Plan.
- 5.2 The assessment highlights the main issues, risks and threats that are likely to impact upon the crime and community safety environment between 2020 and 2021. Soundings on the issues identified were considered by the senior Police officers and Partners and taking into account in the new draft delivery plan.
- 5.3 The Police and Crime Needs Assessment and summary will be available for downloading from the Publications section of the Commissioner's website.^b
- 5.4 Further consultation took place at a third sector stakeholder event on 17th January 2020 and a multi-faith meeting (which will be held at a date yet to be fixed in February this year); any feedback received from this event or comments from partners on the Police and Crime Needs Assessment may result in a subsequent draft being produced.
- 5.5 Should there be any changes to the current draft shown at **Appendix A** a further report will be submitted to the Police and Crime Panel.
