SECTION 2 BACKGROUND

2. General

- 2.1 This Scheme of Delegation supersedes the previous Scheme of Delegation operated by the Police Authority.
- 2.2 The Scheme comes into effect from 22 November 2012, although the Police and Crime Commissioner's (PCC) approval will be required. Any matter of business not covered in this document will require the PCC's approval.
- 2.3 This document facilitates the continued business activity. However, this is only applicable for Stage 1 transfer to the PCC. At Stage 2, this document will require revision or replacement by a Scheme of Consent.
- 2.4 This Scheme details the functions delegated to the Chief Executive, the Chief Finance Officer of the PCC the Assistant Chief Officer (ACO) Resources of the Force and the Head of Legal Services.
- 2.5 A scheme of delegation enables the Office of the PCC and the Force to function in an efficient and effective manner. It sets out the extent to which the PCC is willing to allow the Chief Constable, Chief Executive and Chief Financial Officer to make decisions that are the formal/statutory responsibility of the PCC. It also allows the PCC to focus on the matters which he/she considers to be most important.
- 2.6 The Scheme set out in this document is intended to strike a balance between giving the Chief Constable, Chief Executive and Chief Financial Officer reasonable managerial freedom and retaining the PCC's ability both to hold the Force to account and to give managerial direction to the Office of the PCC. The scheme is intended to ensure that the decision-making process provides good value for money.
- 2.7 The PCC has power under section 18 (2) of the Police Reform and Social Responsibility Act 2011 to arrange for any person (other than a Deputy PCC in respect of who there are separate provisions) to exercise any function of the PCC.
- 2.8 The Scheme of Delegation can only be amended by the PCC, but it is expected that the initial Scheme may well need modification in light of experience and of the PCC's views.
- 2.9 The Scheme will be recommended to the PCC for immediate adoption and then a review in April 2013. The nature of the review will depend on how the scheme appears to the PCC and the Chief Constable to be operating.
- 2.10 For clarity and in accordance with the act there have been no transfers or delegations to the Chief Constable under stage 1. This includes all trading activities, assets, liabilities and reserves (held the PCC's accounts including the Nottinghamshire portion of reserves relating to regional collaboration). Therefore, no corporation tax liability would exist for the Chief Constable under stage 1.

SECTION 3 AIMS / OBJECTIVES

3.1 The following principles have guided the preparation of this scheme:

1. The Commissioner must make statutory (see below) and other key decisions in respect of resources, performance standards and objectives across his/her responsibilities.
2. The Commissioner must have sufficient information at the appropriate time and have sufficient decision-making powers to enable effective oversight and scrutiny and to ensure efficiency and effectiveness.
3. The Commissioner's day-to-day activity should be focused on strategic issues including holding to account and scrutiny, interacting with the public and stakeholders, and promoting the achievement of the Police and Crime Plan.
4. The Chief Constable must be given (in addition to operational independence) sufficient non-operations decision-making powers to enable him to lead and management the Force effectively and efficiently.
5. The Chief Executive must have reasonable managerial freedom to run the PCC's office and to progress business on the PCC's behalf.
6. The Commissioner's management and administrative responsibilities should be largely discharged on his/her behalf by the Chief Executive and the Chief Financial Officer, provided that this does not undermine the Commissioner's ability to scrutinise the Force effectively and does not expose the Commissioner or the Force to reputational risk.

SECTION 4-10 DETAILS

4. Introduction

4.1 Under the Police Reform and Social Responsibility Act 2011 (“the Act”), the Nottinghamshire Police Authority has been abolished and replaced with the Police and Crime Commissioner, including the Office for Police and Crime (Nottinghamshire).

4.2 The PCC has certain specific responsibilities set out in legislation, which cannot be delegated to officials (although some could be delegated to a Deputy PCC). These are:

- **Issue a Police and Crime Plan** – Set out the strategic direction and objectives of the Force through the Police and Crime Plan, monitoring the performance of the Force against agreed priorities.
- **Determine Police and Crime Objectives.**
- **Set the Precept.**
- **Set the budget for the Force.**
- **Award grants for crime and disorder reduction.**
- **Approve the Annual report.**
- **Approve a Community Safety Partnership (CSP) merger.**
- **Approve section 22 Collaboration agreements.**
- **Appoint Chief Constable of Nottinghamshire.**
- **Suspend or where necessary, require the resignation or retirement of the Chief Constable.**
- **Appoint, suspend and dismiss the Chief Executive.**
- **Appoint, suspend and dismiss the Chief Financial Officer.**
- **Appoint and dismiss a Deputy PCC.**
- **Appoint an Audit Committee.**
- **Commission police and crime services.**
- **Convene a meeting of CSP’s across the police and crime area.**
- **Request a report from a CSP.**

4.3 The other key roles of the PCC are:

- Secure the maintenance of the Nottinghamshire Police Force.
- Secure that the Police Force is efficient and effective.
- Hold the Chief Constable to account for the exercise of the functions of the office of the Chief Constable and the functions of the persons under direction and control of the Chief Constable.
- Hold the Chief Constable to account for the performance of the forces officers and staff.
- Hold the Chief Constable to account for the duty to have regard to the Police and Crime Plan and the Strategic Policing Requirement.
- Hold the Chief Constable and those under his direction and control to account for the exercise of duties relating to equality and diversity.

- Handle complaints and conduct matters in relation to the Chief Constable.
- Approve the Office for Police and Crime budget.
- To be open and accountable.
- Ensure adequate reserves are held and decide together with the regional PCC's on the use of regional reserves and regional budget underspends.
- To be held to account by the Police and Crime Panel.

- 4.4 The PCC is the legal contracting body and owns all assets and liabilities. The PCC has responsibility for the financial administration of the Office for Police and Crime and the Nottinghamshire Force, including all borrowing decisions.
- 4.5 The PCC is held to account by the Police and Crime Panel. This consists of **(number to be inserted)** members. This Panel scrutinises the decisions of the PCC and it is intended as a check and balance on the PCC, rather than the Chief Constable.
- 4.6 The PCC has made delegations to exercise the functions required, save for those functions which cannot be delegated.
- 4.7 The Scheme provides sufficient delegation to officers to ensure that decisions are not unnecessarily delayed, whilst ensuring that the PCC is properly protected from risks associated with being the individual held to account for all decisions made. However, the Scheme does not attempt to list all of the matters which are incidental to the exercise of those responsibilities and which form part of everyday management responsibilities.
- 4.8 The Scheme is without prejudice to, and does not in any way affect the PCC's power to make specific delegations from time to time on any powers delegated to the Chief Executive, the Chief Finance Officer of the PCC, the Force ACO Resources or the Force Head of Legal Services (provided under a collaborative agreement). It is a record of those formal delegations granted by the PCC which are in effect at the time of the publication of this scheme.
- 4.9 The Scheme forms part of the PCC **Operating Framework (Constitution)** and should be read in conjunction with other documents as these contain further detail including the approved process for making decisions and further detailed delegating the scope of the PCC's power of delegation.

THE SCOPE OF THE PCC'S POWER OF DELEGATION

- 4.10 The persons appointed as the PCC's Chief Executive (who is also the Monitoring Officer), Chief Finance Officer (also known as the s151 Officer) have statutory powers and duties inherent to their positions, and do not rely on matters being delegated to them when exercising those functions.

- 4.11 Delegation under the Scheme provides an officer with legal power to exercise the function of the PCC. In exercising the function, this officer must still comply with all other statutory and regulatory requirements and relevant professional guidance including:
- The Police and Social Responsibility Act 2011 and other relevant legislation including all regulations issues under this Act
 - The Financial Regulations
 - The Home Office Financial Management Code of Practice
 - CIPFA Statement on the role of the Chief Financial Officer in public service organisations
 - The Contract Regulations
 - The PCC's governance framework
 - The PCC's or the Chief Constable's employment policies and procedures (whichever is applicable)
 - The Data Protection Act 1998 and the Freedom of Information Act 2000
 - Health and Safety at work legislation and codes
- 4.12 In carrying out functions, the PCC or staff must have regard to the following list (which is summary, but not exhaustive):
- The view of the people and victims of Nottinghamshire
 - Any report or recommendation made by the Police and Crime Panel on the annual report from the previous financial year
 - The Police and Crime Plan and any guidance issues by the Secretary of State
- 4.13 For the avoidance of doubt, this scheme does not apply to those matters which the PCC may not delegate under the Act as per the following list (which is summary, but not exhaustive):
- Issuing a Police and Crime Plan
 - Appointment of the Chief Constable
 - Removal or suspension of the Chief Constable
 - Level of precept
- 4.14 With the exception of those matters detailed at paragraph 4.12 the Scheme allows any person to whom a power has been delegated, to sub delegate that power to a member of staff under the delegated officer's direction and control.
- 4.15 The PCC [Operating Framework \(Constitution\)](#) including the Scheme of Delegation will be reviewed annually.
- 4.16 The PCC may appoint a deputy to make decisions in his/her absence (leave/illness).
- 4.17 Where delegations have been made, officers should exercise their professional judgement in bringing to the PCC's attention any related matter that would be of interest to the PCC.
